

Price Schedule **Conveyor Belting Tools** *by C.M.Products Company*

Revised 1/2010

1. Black-Max Complete Kit fixture has 'Normally Open' jaws with manual spacer	230.00
2. Black-Max STD Complete Kit with auto spacer & handles installed	275.00
3. Black-Max HD Complete Kit with auto spacer & handles installed	325.00
4. Add on Handles fits all hand tools # BB-246H	45.00
5. Printers Pal Complete STD Kit with spacer & handles installed	295.00
6. Printers Pal Complete HD Kit with spacer & handles installed	355.00
7. 2" Belt Bonder Flat Belt STD Kit with spacer & handles installed	290.00
8. 2" Belt Bonder Flat Belt HD Kit with spacer & handles installed	345.00
9. Black-Max Fixture only with auto spacer & handles installed # BB-2103	225.00
10. Black-Max Fixture only (no handles) jaws normally open, with spacer # BB-2103 - N.O.	175.00
11. Printers Pal Fixture only # BB-2107 with spacer & handles installed	225.00
12. Printers Pal Twin A section Fixture only # BB-2107-TA with spacer & handles installed	230.00
13. Printers Pal Twin 3L section Fixture only # BB-2107-T3L with spacer & handles installed	230.00
14. Printers Pal Twin A & 3L Heavy Duty kit complete	325.00
15. Printers Pal Twin A & 3L Standard Duty kit complete	255.00
16. 2" Belt Bonder Fixture only # BB-2106 with spacer & handles installed	195.00
17. 2 Inch HD Storage Case w/ egg crate foam BB-50330	55.00
18. 6 Inch universal storage case w/ egg crate foam BB6785TE	29.50
19. Hard Side Storage Case for 15" 24" & 36" wide belt systems	175.00
20. Flush Cut Trim Tool # BB-170	9.95
21. Ruff Top removal tool # BB-175	25.50
22. 5 Groove Trim Knife BB-65060	38.55
23. 1 Groove Trim Knife # BB-66090	15.50
24. Standard Duty Heatwand & TFE coated tip(40 watt) #BB-2145 + Tip #BB1112-1	55.00
25. HEAVY DUTY 40 Watt Heatwand w/Tip & Safety Stand #BB-2140 + Tip #BB-1113	149.00
26. DUAL VOLTAGE Heavy Duty Heatwand w/Tip & Stand	225.00
27. Right Angle Tacking Heatwand 30 Watt with Safety Stand BB-2141 Includes Tip BB-1114	149.00
28. Euro-Style 220V CE approved 45 watt Heatwand # BB-2145-220 + Tip #BB-1112-1	55.00
29. TFE Coated Tips for ALL 40 Watt Heatwands 3/16 dia. & 1/4" dia.	28.50
30. 4" Belt Bonder Joining System with spacer & handles installed	510.00
31. 6" Bonder Joining System with spacer & handles installed	775.00
32. 6" TFE coated tip only # BB-1116	105.00
33. 6" heatwand 110V-250 watt with stand BB-2150 w/tip # BB-1116	325.00
34. 12" 'Tuned heatwand' Bonder Joining System with spacer & handles installed	1,875.00
35. 18" 'Tuned heatwand' Bonder Joining System with spacer & handles installed	2,285.00
36. Can Cable Welding System 110 V welds 3/8" dia. SS Steel or Poly can cable	2,250.00
37. Ultra-Can Cable Welding System 110 V complete	3,936.65
38. 15" Wide Belt Bonder Joining System complete kit	3,100.00
39. 24" Wide Belt Bonder Joining System complete kit	3,865.00
40. 36" Wide Belt Bonder Joining System complete kit	4,258.00
41. 48" Wide Belt Bonder Joining System complete kit	4,995.00
42. Wide Belt Bonder shipping and storage case	175.00
43. Replacement Wooden Handles package of 2 with mounting hardware BB-246W	95.50
44. Wooden handle mounting hardware 1 set BB-246MH	12.00
45. Universal thermocouple with amour 96" long with male type J plug BB-375	82.50
46. Replacement heating elements with grounded twist lock plug installed see last page	
47. Digital Control Box single output 110V #CMP-110-0 (220V available)	1,350.00
48. Digital Thermometer hand held	59.95
49. Replacement heatwand blade for all wide belt bonders TFE coated BB-1119 per foot	49.00

50. Replacement heatwand blade for all wide belt bonders TFE coated BB-7115 10 ft. length		325.00
51. Belt Bonder spacer bar sold by the foot		3.75
52. Pocket Handyman	NET PRICE	34.95
53. Straight Strips Set of 5 pieces		150.00
54. AP-600 Full Feature Air Cooled Heatpress		1985.00
55. 15" Featherweight Press	NET PRICE	2,900.00
56. 24" Featherweight Press	NET PRICE	3,900.00
57. 36" Featherweight Press	NET PRICE	4,900.00
58. 48" Featherweight Press	NET PRICE	5,900.00
59. 60" Featherweight Press	NET PRICE	6,900.00
60. 72" Featherweight Press	NET PRICE	7,500.00
61. Temp-O-Meter dual out-put, reads F & C includes battery, probes, carry case		169.00
62. 24" Draw Knife Slitter complete bench top cutting system		2,650.00
63. Draw Knife Slitter Blade holders		285.00
64. Draw Knife Slitter Cost per each additional foot of throat depth		295.00
65. Maxi-Tip-1 Urethane Belt Scraper, 8 ft. length		86.00
66. Maxi-Tip-1-25 Urethane Belt Scraper, 25 ft. length		268.75
67. Maxi-Tip-2 Polyethylene Belt Scraper, 8 ft. length		70.00
68. Maxi-Tip-DD Dual Durometer Belt Scraper, 8 ft. length		118.00
69. Maxi-Tip-BH Aluminum Extrusion Blade Holder, 8 ft. length		185.00
70. Economy V Guide kit		
71. Leister Blowers Hot air welders for many thermoplastic welding jobs	call for PRICE	
72. Pony Cooling Clamps rapid cooling clamps for PonyXpress		55.00
73. Handi-Cut Finger cutter		530.00
74. Timing Belt Splice Rails H , L , T-10		295.00
75. Handi-Cut with square cut fence BB-180		125.00
76. Fixed Width Belt Splice Rail for PonyXpress up to 2" wide		235.00
77. Twist-R-Lock installation tool	# TRL 1001	27.90
78. Twist-R-Lock suction cup retainers Metal Detectable 100/bag	# TRL 1005	57.00
79. Twist-R-Lock suction cup retainers Metal Detectable HARD 100/bag	# TRL 1005H	57.00
80. Twist-R-Lock suction cup retainers Metal Detectable TALL 100/bag	#TRL 1005T	124.00
81. Twist-R-Lock Metal Detectable Depanner cups	See Current handout	2.20

Welding Instructions for:

- [Thermoplastic Profile Belting](#)
- [Thermoplastic Flat Belting](#)
- [Wide Belt Bonders](#)

Special Tool Instructions for:

- [Handi-Cut Finger Cutter](#)
- [Timing Belt Splice](#)

Prices subject to change without notice

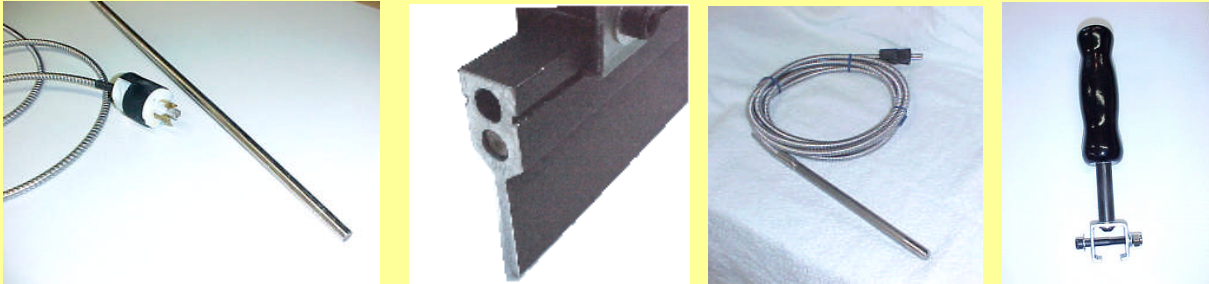

Terms: Net 10 days FOB: St.Peters, MO USA

Belt Bonder Replacement Elements 1.10

Part #	Belt Bonder Heatwand	Price
BB-3112	120V. 12" replacement element with grounded twist lock plug installed	\$ 295.00
BB-3115	120V. 15" replacement element with grounded twist lock plug installed	340.00
BB-3118	120V. 18" replacement element with grounded twist lock plug installed	375.00
BB-3124	120V. 24" replacement element with grounded twist lock plug installed	455.00
BB-3136	120V. 36" replacement element with grounded twist lock plug installed	490.00
BB-3148	120V. 48" replacement element with grounded twist lock plug installed	570.00
BB-3160	220V. 60" replacement element with grounded twist lock plug installed	685.00
Holster	Heatwand holster material by the foot (includes 6" for mounting)	28.50 / ft
BB-375	3/8" thermocouple for all HD wands w/plug	95.00
BB-1119-B	Bulk Extruded Replacement blades TFE coated (6 ft. length)	375.00
BB-1119	Extruded Replacement blade TFE coated by the foot	55.00
BB-1118	FLAT Replacement blades TFE coated by the foot	45.00
BB-246W	Wooden Handles for extruded blade 2 per package	110.00
CMP-110-0	110V Digital Control box with power out & T/C female plug	1,350.00
CMP-110-U	Ultra 110V Digital Control box with power out & T/C female plug	1,435.00
CMP-110 MT	120 / 240 V Mini-Trol Control box	525.00
FS-001	Universal Foot controlled air switch complete with hoses	355.00

All Elements include SS armor, high temperature wires, Twist-Lock plug installed
 All Thermocouples include SS armor, high temperature wires, Male plug installed
 Replacement handles include necessary hardware and installation details
